Title : PRAGMATIC ANALYSIS OF RESPONSES GIVEN BY
SOCIAL MEDIA USERS TOWARD CORONAVIRUS
PHENOMENON

I testify in this research paper there is no plagiarism from the previous research which has been made before to complete to requirements of bachelor degree and as long as the researcher knows if there is also no opinion or work that has ever been written or published by others, except those in which the writing is referred in the paper and mentioned in the literary review and the bibliography.

Therefore, if it is proved that there are some untrue statements here, the researcher will be fully responsible.

Surakarta, September 19th, 2020

The writer,
